

**Novato
Community Garden**
Novato Live Well Network

To complete Phase II we need the services of:

- A Structural Engineer
- A Geo-technical Engineer
- A road building company
- Suppliers of road materials
- A fencing installation company
- Fencing supplies
- Materials to construct water tower exterior
- Solar Panel for water pumping system and installation
- Irrigation Materials
- Materials to construct the Nursery
- Labor assistance with construction

**All contributions are appreciated and will help us achieve our goal of
Building a Healthy Community from the Ground Up!**
